

LC/MS Workshop

4th International & 7th Australian Peptide Conference— Cairns

Date & Time

Tuesday October 23
7:30-8:30 am—Breakfast

Thermo Scientific is pleased to invite you to our free breakfast LC/MS workshop.

Coinciding with the 4th International & 7th Australian Peptide Conference in Cairns, this is a great opportunity to learn about the latest developments in LCMS. Presented by local and international experts, including Julian Phillips from Thermo Fisher Scientific's facilities in San Jose (USA), the topics which will be discussed include:

- FAIMS on Ion Traps - Multiple Degrees of Separation
- Proteomics Studies by High Resolution LTQ Orbitrap MS

We are looking forward to seeing you in Cairns!

Registration by the 18th of October 2007

To register, simply complete the registration form below and fax it to +61 2 8844 9599. Alternatively, please email the requested information to <ming.cheng@thermofisher.com>

Space at this workshop will be limited, so please register your interest to attend as soon as possible.
